

Using ESSER funds for IXL allows you to:

Address learning loss and accelerate learning for all students, including low-income students, students with disabilities, English language learners, and more.

Assess students in person or virtually for a comprehensive portrait of their grade-level proficiency and individual needs for growth.

Use real-time, actionable data to provide targeted instruction and remediation.

Fund summer learning, extended learning, and supplemental after-school programs.

Purchase professional development for teachers and staff.

Why choose IXL?

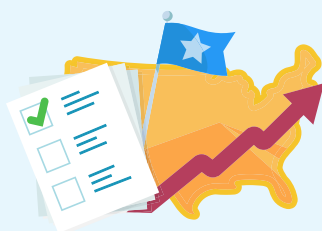

BIGGER IMPACT FOR ALL STUDENTS

IXL's end-to-end teaching and learning solution gives you the tools and insights you need to differentiate and maximize learning for every single student. All integrated into a single platform, each component is designed to work together seamlessly to help you make a bigger positive impact on learning.

POWER DATA-DRIVEN DECISIONS

IXL Analytics gives you actionable data from the district, building, classroom, and all the way to the individual student level. You and your teachers can clearly see IXL usage and student grade-levels, empowering you to facilitate a successful implementation and evaluate the efficacy of IXL.

PROVEN EFFECTIVE AND SUSTAINABLE

Research across 70,000 schools has shown that IXL schools outperform non-IXL schools on state assessments. Additionally, students in schools that used IXL for 3 consecutive years consistently perform better than students in schools that only used IXL for 1 or 2 years.
